Indecomm – Mortgage U Presents Free Webinar on TRID

Webinar Examines Role of Management, Staff, and Procedures

- TRID implementation demands more than changes to the loan origination software (LOS)
- People, training, and procedures are critical to success with TRID
- Prospering in this period of regulatory flux requires building awareness and human capital

Novi, MI (July 13, 2015)—Indecomm Global Services, a leader in business process outsourcing, learning, and technology solutions, announces that Alice Alvey, Senior Vice President of Indecomm – Mortgage U, will be leading a free webinar on how people, policies, and procedures can be leveraged for successful Truth in Lending Act-Real Estate Settlement Procedures Act Integrated Disclosure (TRID) implementation. The online webinar, *TRID Implementation Beyond the LOS*, is being hosted by Indecomm – Mortgage U at <http://mortgage-u.com/> on Wednesday, July 15, 2015 from 11:00 AM to 12:30 PM EST.

“The LOS is seen as either the solution or the constraint to a successful TRID implementation,” Alvey said. “Yet neither approach accounts for the vital role people and training play in the process. Their actions as well as the policies and procedures adopted by the firm to address the TRID changes are among the determining factors for success.”

During the webinar, Alice will address:

- Corporate Level Management Impact on Project Success
- Staff and Team Challenges
- TRID Impact on Job Roles and Responsibilities
- Common Policy Decisions That Are Still Up in The Air
- Procedure Improvement Ideas that may Save 3-5 Days in the Loan Process

“The mortgage industry continues to be in the grip of rapid regulatory flux,” said Rajan Nair, CEO, Financial Services, Indecomm Global Services. “The key to prospering in this period is building awareness and human capital. This webinar adds to the library of specialized regulatory knowledge, which Indecomm offers the industry and its clients.”

While the deadline for TRID implementation has been moved to October 3, 2015, the need for compliance officers, mortgage education providers, and compliance technology companies to rapidly prepare people, systems, and processes to comply with the rules remains an imperative. This free webinar from Indecomm – Mortgage U is aimed at helping the industry resolve TRID issues ahead of the deadline.

Join Alice for the complimentary TRID webinar by pre-registering at http://mortgage-u.com/?page_id=121. The deadline for registration is 24 hours before the start of the webinar.

Separate from the free webinar, Indecomm – Mortgage U offers a 3-session webinar that takes participants through the Integrated Disclosure Rule, Completing the Loan Estimate, and Completing the Closing Disclosure. More information about this series can be found at http://mortgage-u.com/?page_id=7115.
