Edison, NJ – March 22, 2016 – Indecomm Global Services, a leader in business process outsourcing, learning, and technology solutions, is pleased to announce that it has been selected as a Top Mortgage Employer by National Mortgage Professional Magazine, a leading industry publication. The recognition as one of America's Top 100 Mortgage Employers is yet another prestigious distinction for Indecomm. This adds to Indecomm's numerous awards and acknowledgments for its solutions and outsourcing capabilities.

This year's Top Mortgage Employers recognition was based on a poll of National Mortgage Professional Magazine's readers. The criteria for selection included compensation, speed, marketing support, technology, corporate culture, long-term strategy, day-to-day management, internal communications, training sources, industry participation, and innovation. The publication identified these factors as those of most importance to mortgage employees and weighted them appropriately. This resulted in the computation of a Mortgage Employer Company Score (MECS), which was used in the ranking. The list can be found on page 51 at [https://issuu.com/nmpmag/docs/nmp\\_jan16\\_er?e=1230807/32931324](https://issuu.com/nmpmag/docs/nmp_jan16_er?e=1230807/32931324).

“We wanted to establish a credible set of criteria that would make our ranking of the various workplaces in our industry meaningful, both to our readers and to the companies participating in the ranking,” said Joel M. Berman, publisher of National Mortgage Professional Magazine. “We are very fortunate in the mortgage lending industry to have some fine companies operating here, but those firms that ranked highest in our national poll truly are the Top Mortgage Employers.”

“At Indecomm, our associates are our most precious assets,” said Rajan Nair, CEO, Financial Services Division, Indecomm Global Services. “We have been fortunate to attract the best talent

from the industry. Indecomm's mission is to create a global professional entrepreneurship and we live it every day through our pursuit of excellence, innovation, and total client satisfaction.

“Our associates allow us to make this mission a reality,” added Nair. “Employee satisfaction and professional growth are important corporate goals. Receiving the Top Mortgage Employer recognition is a source of great pride for all of us as it reflects our commitment towards our associates and their professional development.”
